A wide-angle photograph of the Aveiro waterfront. The scene is filled with traditional Rabelo boats, known for their long, narrow hulls and distinctive bows. These boats are packed closely together along the water's edge. In the background, a row of multi-story buildings with vibrant, pastel-colored facades and orange-tiled roofs stretches across the horizon. The sky is clear and blue. A large, dark grey oval shape is positioned in the upper right corner, containing the text.
