TRAINING CAMP

PROGRAM

DAY 1

Presentation of the Training Camp made in the previous day, including a visit to the Facilities. and, if there is time, the first session in the gym, based on the recovery from the trip

It's what we call Day Zero, we will start by dividing the group into two parts: One will go with the bikes for biomechanics. The other part of the group, will go to the gym for a strengthening session

The Program remains the same but the order of the teams will be switched

It should be a quick biomechanical session where it can be dedicated one more hour per athlete

A stylized white graphic element, resembling a fish or a dynamic swoosh, is positioned behind the word 'SUNILIVE'. The graphic consists of two curved lines that meet at the ends, creating a shape that suggests movement and vitality. The word 'SUNILIVE' is written in a bold, sans-serif font, and the 'BY' is in a smaller, similar font to its left.
